One Stop Solutions for Electrical Switches and Accessories

Precision Electricals, part of the Choudhary group of Companies takes pride in being in the Electrical segment since 1988 in India. Our High-end Electrical Switches and Accessories are manufactured with a wide range and are known for high quality, aesthetic appeal and safety.

Domestic Products:

- GI Boxes
- Distribution Boards
- MCBs (Coming Soon) And Products for Export market

Infrastructure: We have a very good State-of-the-art manufacturing Plant based at VASAI. We have a product concept to realization capability, i.e. raw material to final packaging under one roof only. Electrical Accessories manufactured by Precision Electricals are a result of deep and qualitative understanding of the consumer's needs. Our Products are ISI Marked, as well as CE certified.

State-of-the-art Manufacturing

Team: We have highly qualified and experienced team handling manufacturing, engineering, sales and marketing.

Service: Our sales team works closely with our customers to understand their needs to service their requirements and provide personalized after sales experience

Cutting Edge Systems: We are continuously working to adopt latest technology and systems to be among the LEADERS in the industry. Some of the factors in our favor are as follows:

- National and International Accreditations
- ISO 9000 complaint
- World-Class R&D
- Highest Safety Standards
- Advanced Manufacturing Processes
- Strict Quality Checks

EDM Machine (CNC)

Vision Measurement System (Precise incoming component inspections)

Wire Cut Machine (CNC)

VMC Milling Machine (CNC)

We have been awarded the National Award for Quality Products from our President of India in 1993.

Countries of Export: Our products apart from being well received in the domestic market

are also highly sought in the overseas market especially in Commonwealth countries. You will find our products at various prestigious projects, five star hotels, healthcare center and commercial spaces.

Challenges Ahead: To be the ultimate, chosen brand in terms of quality, value and service for supply of the ever increasing demands from both residential and commercial segments of the electrical switches and accessories markets both locally and globally.
